CONNECTING **INDIA**
WITH **GLOBAL** MARKETS

INTERNATIONAL B2B EXPORT & GLOBAL SOURCING PORTFOLIO

Agri & FMCG · Industrial & Machinery · Lifestyle & Textiles · Home, Packaging & Hygiene

TZI GLOBAL CATALOGUE 2026
FOR QUALIFIED INTERNATIONAL B2B BUYERS

About THAKKAR ZENOVA IMPEX

THAKKAR ZENOVA IMPEX is an India-based multi-category B2B sourcing and export partner. International importers, distributors, wholesalers, retailers, hospitality groups and industrial buyers work with one structured counterpart.

TZI is organised in four commercial divisions – Agri & FMCG, Industrial & Machinery, Lifestyle & Textiles, and Home, Packaging & Hygiene. Each division is quoted against its own specification, packing and documentation pathway.

The approach is buyer-oriented. Specifications, packaging, documentation and shipment planning follow the destination market and the purchaser's brief. Quality-focused supply coordination is an operating rule, not a slogan.

TZI works on bulk and project quantities typical of international B2B trade. Repeat programmes are preferred to one-off opportunistic lots. Grade, MOQ, HS code and lead time that cannot be confirmed in this catalogue are issued only against a formal RFQ.

This catalogue is a sourcing map, not a factory brochure.

MULTI-CATEGORY SOURCING | BUYER-ORIENTED | QUALITY-FOCUSED | EXPORT COORDINATION

Why THAKKAR ZENOVA IMPEX?

Four-Division Structure

Agri & FMCG, Industrial & Machinery, Lifestyle & Textiles, and Home, Packaging & Hygiene — quoted as separate desks.

Buyer-Oriented Approach

Enquiries start from the purchaser's specification, destination and commercial constraints.

Quality-Focused Supply

Supply coordination follows agreed specifications, not generic off-the-shelf lots.

Competitive B2B Sourcing

Quotations are prepared for bulk and project volumes typical of export trade.

Flexible Requirements

Forms, packaging and private-label options are variables, not fixed catalogue SKUs.

Export Documentation Support

Commercial paperwork and shipment support are part of the pathway.

Supplier Coordination

TZI sits between the international buyer brief and Indian supply capability.

Long-Term Business Focus

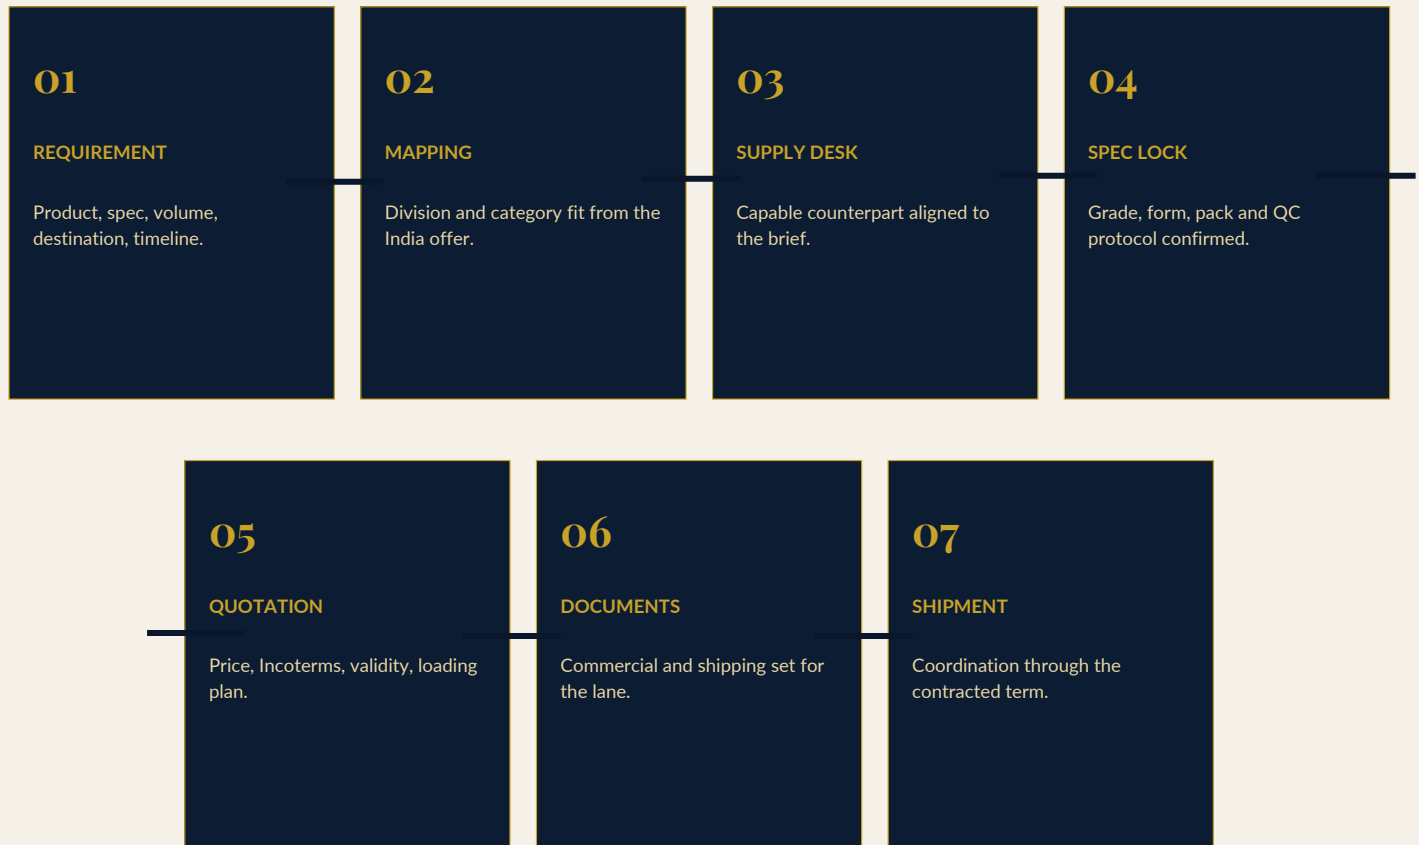

Repeat programmes are preferred to one-off opportunistic deals.

Our Global Sourcing Approach

INDIA → GLOBAL BUYERS

TZI coordinates Indian supply against an international buyer brief. This is the standard sequence for professional B2B enquiries.

Four Divisions

Buyers should enquire by division. Use category numbers 01–30 in the RFQ.

TZI AGRI & FMCG

Food, rice, spices, wellness botanicals, seafood and agri-inputs.

01	FMCG PRODUCTS	08	UNANI & AYURVEDIC PRODUCTS
